

COURT HOUSE

The jury in the case of the City of Hannibal against P. H. Weatherford in the circuit court failed to agree and was discharged Saturday afternoon at 4 o'clock. The case will be continued in the next term of court. The jury had been out since 5 o'clock Friday afternoon.

T. E. Hook has been appointed appraiser of the estate of I. P. Long under the Inheritance Tax law.

John W. Howell, guardian, filed an inventory Monday of the estate of Mary J. Byrnes. The estate was valued at \$786.57.

John S. Gatson has been appointed appraiser for the estates of George C. Richard and Samuel E. Humphreys.

After deliberating since 3 o'clock Monday afternoon a jury in the circuit court Tuesday morning awarded Julius Mallinckrodt \$532.50 judgment in his suit against the estate of Geo. Schieffer. He sued the estate for \$2748.33, claiming that he had cared for Schieffer from July 10, 1914 until his death in February of last year.

The jury retired at 3 o'clock Monday afternoon, but could reach no decision until 11 o'clock Tuesday morning.

The case was appealed from the probate court where Mallinckrodt was awarded \$500. Mallinckrodt is a school teacher by profession, but devoted the five years previous to Schieffer's death in nursing him.

The case of Bryan Wilkerson vs. Roger Hunt was on trial in the circuit court Wednesday afternoon. The suit is over settlement on a \$300 note.

The Chicago and Alton railroad was denied the right of a new trial in three cases in the circuit court Saturday. In the case of James Talbert vs. the C. and A., in which the plaintiff was awarded \$400 damages, the defendant appealed the case to the St. Louis Court of Appeals. Similar action was taken in the cases of J. C. Diggs vs. the C. and A., in which the judgment was for \$640, and in the case of W. R. Buckner vs. the C. and A., in which the judgment was for \$450.

When the court refused the plaintiff a new trial in the case of P. P. Jacobs et al vs. Ross Cauthorn et al, the attorney for the plaintiff signified their intention of appealing to the Missouri Supreme Court.

Claud Blue, colored, was granted a divorce from Georgia Blue.

The North Missouri Trust Company was appointed trustee to take charge of certain funds in the estate of George Massey.

The St. Louis Court of Appeals recently affirmed a decision rendered by Judge Ernest Gantt in the Audrain county circuit court in 1917. Judge Gantt's decision was in favor of the interpleader, the Farmers and Merchants Bank of Vandalia, in the case of L. W. Roberts vs. J. R. Hodges.

The case attracted much attention in legal circles because of the many complications which it involved. The circuit court had previously awarded L. W. Roberts a judgment in a suit against Hodges. When Roberts tried to collect the money it was necessary to get it from the garnishees, the Vandalia Banking Association. The Farmers and Merchants Bank interpleaded in the case, claiming to be Hodges' landlord, and claimed the money deposited to his credit in the Vandalia Banking Association. Judge Gantt rendered a decision in favor of the Farmers and Merchants Bank. The case was appealed to the St. Louis Court of Appeals and in its recent session, that court upheld the decision of Judge Gantt.

The C. W. Settle Lumber Company waived its demand for \$85 against the estate of Earl Snell.

In the estate of E. C. Smith the widow filed election to take a child's estate. She also filed a motion for \$400 absolute property and \$2000 for one year's support.

The following cases have been filed on the docket for the September term of the Audrain County circuit court: H. L. Shock vs. Unknown heirs of Mary Hurdle et al (perfect title.) Ernest Poland vs. Essie Poland, (divorce.)

Lizzie Goodpasture vs. Anna Voss et al (partition.) F. H. Wright vs. R. S. Cook et al (revive judgment.)

Mary Owen vs. Lonnie Owen (divorce.)

Estill Naylor vs. Jolla Ene et al (contest will.)

J. D. Greer et al vs. Rufus Pearson et al (perfect title.)

T. P. Ford et al vs. R. B. Cauthorn, (injunction.)

KANSAS CITY MAN GAINS 35 POUNDS

Stubborn Stomach Trouble Overcome—Hampton Feels Fine Now, He Says.

"I had suffered so much I had fallen off thirty-five pounds but since taking Tanlac I have regained every ounce of my lost weight and am enjoying better health than in years," was the statement made recently by W. V. Hampton, the well-known contractor painter, living at 6409 East Twelfth street, Kansas City, Mo. "For the past four years," he continued, "I have been bothered with a case of stomach trouble that has made life miserable for me. My appetite was irregular—some days I didn't want a bite and other days I could hardly get enough to eat. As my digestion was so bad that it was hard for me to retain what I ate. Gas always bloated me up after I ate anything and often I had bilious attacks. At times I got very dizzy and every few weeks I had such a bad spell that I would have to lay off from work for two or three days. I was so nervous and restless I could never get a good night's sleep. As a result I became weak and run down and lost weight rapidly.

"This was my condition but things are different since I have taken Tanlac. All my troubles have left me and I have been built up until I can hardly realize myself what fine health I am enjoying. My appetite has been regulated and it makes no difference what I eat now I digest it without the least trouble. I can retain everything I eat and I am no longer bothered with gas forming or with bilious attacks. I don't know what it is to have a dizzy spell now and I never miss a day from my work. I am not the least bit nervous and I sleep sound every night. As I said, I have gained thirty-five pounds in weight and I feel better and stronger than I have in many years."

TANLAC is sold in Mexico, Mo., by Marlow & Cox druggists, McCubbin & Garner druggists, Laddonia, Mo., and C. T. Peyton, Martinsburg, Mo.

DIRECTS BIG WORK

The Rev. H. P. Atkins is Managing Cincinnati Interchurch World Campaign.

The Rev. Henry Pearce Atkins, for a time the pastor of the Christian Church in Mexico, is now in Cincinnati, where as executive secretary of the Federation of Churches in Cincinnati and vicinity he is managing the local Interchurch World Movement campaign and is doing a great and worthwhile work.

The Federation is composed of over three hundred Protestant churches of the district including Cincinnati, O., and Covington and Newport, Ky. The organization is the central clearing house of these churches and the connecting link between them and those local and national organizations which are working for human welfare. Each church which is a member is represented by its pastor and one layman of its own selection. The Council meets monthly from October to May and from its numbers are selected members for an executive committee through which the work of the Federation is carried on. This organization is one of the progressive movements in the country which is working toward church unity, although it does not stand directly for church union. One of the immediate undertakings at hand at the present time is the local campaign in the Interchurch World Movement, which is being directed in Cincinnati by the Rev. Atkins.

In order to give a detailed and comprehensive view of the city and to personally acquaint the citizens with it, bulletins are issued setting forth important facts concerning the people living in its bounds.

One bulletin answers the question, "Who are the people in your city?" by dividing the population into native whites, foreign whites, negroes and orientals, etc. Another answers the question, "From what countries did your people come?" by dividing the foreign born into classes according to their native lands and numbering those in each group. Still another bulletin gives the percentage of the population represented in each of the forms of industry and labor in the city; and another enumerates the various kinds of businesses in the city and gives the number of establishments in each.

Clay Co., (damages; death.)

Minnie Cragg vs. Maud Youngs et al (partition.)

Lucile Black vs. Roy Black, (divorce.)

Laura Yokem vs. Sampson Yokem, (divorce.)

Cincinnati is getting thoroughly acquainted with herself and for that reason will be able to work to a much greater advantage in carrying out church as well as any other kind of work.

DEATHS

Frances May Robinson, the infant daughter of Mr. and Mrs. Victor Robinson of Thompson, died Wednesday. A short funeral service was conducted and burial was made at Thompson Thursday afternoon. The Ledger extends sympathy to the bereaved.

Samuel Porter Finley, one of the last veterans of the Grand Army Republic, died at 6 o'clock Saturday morning at the home of his daughter, Mrs. Ed. Kunkel on East Jackson street. He was 81 years of age, and had been in poor health for several months.

Mr. Finley was a soldier from a family of soldiers. His grandfather fought in the Revolutionary War, and his father was a veteran of both the War of 1812 and the Mexican War. His own career as a defender of the Republic during the Civil War was colored by numerous adventures. Twice he was taken prisoner by the Confederate Army, but escaped and returned to his own outfit each time. He was a member of Company "E" Third Regiment, Illinois Cavalry, serving from 1861 to 1865.

His father was a Presbyterian minister and the father of thirteen children of whom Samuel R. Finley was the youngest. Mr. Finley was born in Salem, Ill. in 1839. He and Miss Susan Luse of Flora, Ill. were married in 1858, and lived in Douglass County, Illinois until 1905 when they moved to Mexico. Mrs. Finley died here in 1910.

Mr. Finley leaves seven children: Mrs. Ora Springer of Thompson; Mrs. Ed Kunkel of Mexico; J. B. Finley of Urbana, Ill.; Rolla B. Finley of Marshall; and Mrs. Alice Wiseman of Washington, D. C.

The funeral will be conducted by Rev. Cowart of the Methodist Church at the Kunkel home on East Jackson Street Monday afternoon at 3 o'clock. Mr. Finley became a member of the Methodist Church in his early manhood, and was always active in that denomination.

The Ledger joins the many friends of the family in extending sympathy.

Word has been received that Robert Turner, formerly of Mexico, died at Joplin recently. Turner was a brother of Harry Turner, and was well known in Mexico.

Mr. and Mrs. Elton Dearing motored to Marshall Sunday to be the guests for a few days of Mr. and Mrs. Henry Llewellyn.

Miss Minnie Harrison, who has been a patient in the Mexico Hospital, returned to her home in Benton City Monday.

NO WET PLANK IN DEMOCRATIC PLATFORM NOW

SAN FRANCISCO, June 30.—There will be no wet plank in the Democratic platform. This was decided late Tuesday afternoon when such a plank was rejected by the committee drafting the platform by a vote at a ratio of two to one.

The nominating speeches began late this afternoon. The administration forces are in the ascendancy and have a tight rein on the situation. This seems eminently satisfactory to a large majority of the delegates present.

Marshall and Davis are said to be the leading dark horses though McAdoo, according to many, will unquestionably receive the nomination. President Wilson has not signified to the convention any preference on his part toward any of the candidates.

The Missouri delegation is reported as having sixteen votes for McAdoo, seven and a half for Cox, two for Clark, six and a half for Palmer and three that are doubtful. However this is only a forecast.

The barring of Senator Reed from the convention as a delegate was received amid wild cheers and he has finally accepted his defeat. He and Mrs. Reed will attend the remainder of the convention seated among the visitors.

Samuel Gompers in an interview states the Democratic party can only secure the Labor vote by placing a plank in their platform friendly to the working man.

WEDDINGS

Mrs. Stella Bridgeford of Mexico and George Ady of Portland, Ore., were married at 9 o'clock Tuesday morning at the Muehlbach Hotel in Kansas City. Immediately after the ceremony they left for the Pacific coast where they will spend an extended honeymoon before going to Portland to make their home.

Mrs. Ady is a sister of J. V. White and Mrs. J. S. Teague of Mexico and has made her home here for several years. By means of her pleasing personality and her many accomplishments, she has made many friends in this community.

Mr. Ady is superintendent of the Union Bridge Company of Portland, Ore., and is quite wealthy. He is one of the leading business men in the Oregon city, and is a prominent citizen there.

The Ledger joins the many friends of the bride in this community in extending to her hearty congratulations.

Edwin Kisor and Miss D'Arline

Williams of Vandalia were married Monday night in the study of the Baptist church. Rev. John H. Hughes, pastor of the church, officiated.

Mrs. William Nicholson, formerly Miss Bessie Maxwell of Mexico, is the guest of Miss Martha Mason.

Mrs. L. M. Richards and Miss Virginia Richards have returned from a two weeks visit in Chicago.

KEEP YOUNG.

People with bad backs and weak kidneys are apt to feel old at sixty. Many old folks say Doan's Kidney Pills help them keep young. Here's a Mexico case: P. S. Morris, retired farmer, 503 W. Love Street, says: "Several years ago I used Doan's Kidney Pills when my kidneys were giving me trouble and they certainly did all that was claimed for them. Doan's relieved me of the annoying pains across my back and the irregular action of my kidneys. I am glad to recommend Doan's Kidney Pills for they did me worlds of good. I got them at Llewellyn & Sons Drug Store." (Statement given June 14, 1916.)

"I am still very glad to recommend Doan's Kidney Pills. When a man gets as old as I am and Doan's cures him, they surely are great. I haven't had need for a kidney remedy since Doan's Kidney Pills cured me up a few years ago."

Diagram Showing Dependence of all Organs upon Spine and Spinal Nerves

CHIROPRACTIC

A man is sick because something within him is wrong. All or your parts can not be functioning properly and yet cause you pain. Each section of your anatomy needs a certain amount of nerve energy and when that is not supplied something goes wrong. Simple logic. Works on the same principle that when you have a leak in your gasoline tank the engine will give trouble, balk and finally stop. Chiropractic gets at the root of the trouble. Instead of hearing the noise under the radiator hood and messing things up in general, it finds out what is causing the trouble and then mends the tank.

But literally Chiropractic does get at the root of the trouble—the spine. It is the nerve centre of the system. When the spine gets out of alignment it clogs up the tissues that send the force through your body. And the part affected can only be remedied by getting at the spine.

If you will notice the cut above this article you'll see how the nerves go to the various parts of the body. By removing the impingement from these nerves gives nature a chance to heal the diseased organs.

And this common sense principle is what has made Chiropractic such a success. Come to our office for consultation or spinal analysis.
